TWENTY-SEVENTH ANNUAL REPORT

OF THE

COMMISSIONERS

OF THE

OHIO STATE LIBRARY

FOR THE YEAR 1907

COLUMBUS

THE STATE OF OHIO, DEPARTMENT OF PUBLIC INSTRUCTION

1907

RULES OF THE STATE LIBRARY.

HOURS.

The Ohio State Library is open every day, except Sunday, and the usual holidays.

During the session of the Legislature, from 9 o'clock A. M., till 12 M.; from 2 to 5 P. M.; and from 7 to 9 P. M.

After the adjournment of the Legislature, from 9. A. M. till 12 M.; and from 2 to 5 P. M.

REGULATIONS.

All persons are permitted to visit the library, and examine and read the books and magazines.

Those who are entitled to take out books, are—

By Law :

Members and officers, and ex-Members of the Legislature.

State Officers and Clerks in the several departments.

The Judges of the Supreme Court and Courts of Common Pleas.

Superintendents in the Benevolent and other State Institutions.

By Resolution :

Resident ministers of the city of Columbus have, by a resolution of the General Assembly, free use of the Library, in accordance with the rules, who are at the time Pastors of congregations, and who apply in person for books for their own especial use.

RESTRICTIONS.

Not more than two books can be taken by any person at one time within two weeks.

Books must be returned within two weeks.

Books of reference, and other books of peculiar value, are kept from circulation.

A public officer, or any other person having a right to take out books, who gives any other individual an order for books to be used by another not having such right, thereupon forfeits his own right to draw books.

Books lost or damaged must be replaced or paid for.

Copying from Library books must be done with a pencil.

Loud talking forbidden.

Smoking prohibited.

To the General Assembly of Ohio :

The Commissioners of the Ohio State Library would respectfully represent that a catalogue of the books now under their charge is indispensably necessary for the convenient and profitable use of this Library, and for the safe keeping of the same. The new plan of catalogue which has been adopted in the public libraries of Cincinnati, Springfield, Mass., Boston, Buffalo and Philadelphia, is undoubtedly the best now in use.

Before any catalogue can be made we shall be obliged to have an appropriation of not less than twelve thousand dollars to finish the second and third stories with proper alcoves and shelving. This room is very much needed, and we hope the Legislature will provide for it an early day.

Such preliminary work as it was possible to do, with reference to a Catalogue of books has been prosecuted during the year.

A full report of the routine labor of the Librarian is herewith submitted.

EDWARD F. NOYES, Governor,
ISAAC R. SHERWOOD, Secretary of State,
S. G. HARBAUGH, Librarian.

Commissioners of the State Library.
